2. Introduction

This is Windlesham Parish Council's Plan for Bagshot, Lightwater & Windlesham for 2022-2027

This Strategic Plan sets the Parish Council's vision for the Parish, its purpose, values, objectives and key priorities until May 2027.

The aim of the Plan is to give residents a clear understanding of what the Parish Council does and what it is trying to achieve, either directly or indirectly by trying to increase its influence on the relevant delivery body, such as the Borough or County Council.

The Plan is a live document that will be reviewed annually, used to drive the budget process, plan activities for the coming year and enable the Parish Council to monitor its progress against key priorities.

With Parish elections due to be held in May 2023 the composition of the Council may change, prompting a review of strategic direction.

Mission Statement

The Parish Council aims to be forward thinking and outward looking, working with the residents of Bagshot, Lightwater, and Windlesham to bring about a thriving community and sustainable environment.

3.1 About Us

Windlesham Parish Council consists of the 3 villages of Bagshot, Lightwater and Windlesham and is made up of 18 elected Councillors. Recognising the individuality of all three villages the Council conducts its business through a committee system focused on serving each individual community.

Currently the Council qualifies for the 'General Power of Competence (GPC)', which gives Parish Councils more 'power to act' – this enables the smooth running of the Council and can bring new opportunities for the Parish area in terms of providing cost-effective services and facilities to meet the needs of local people.

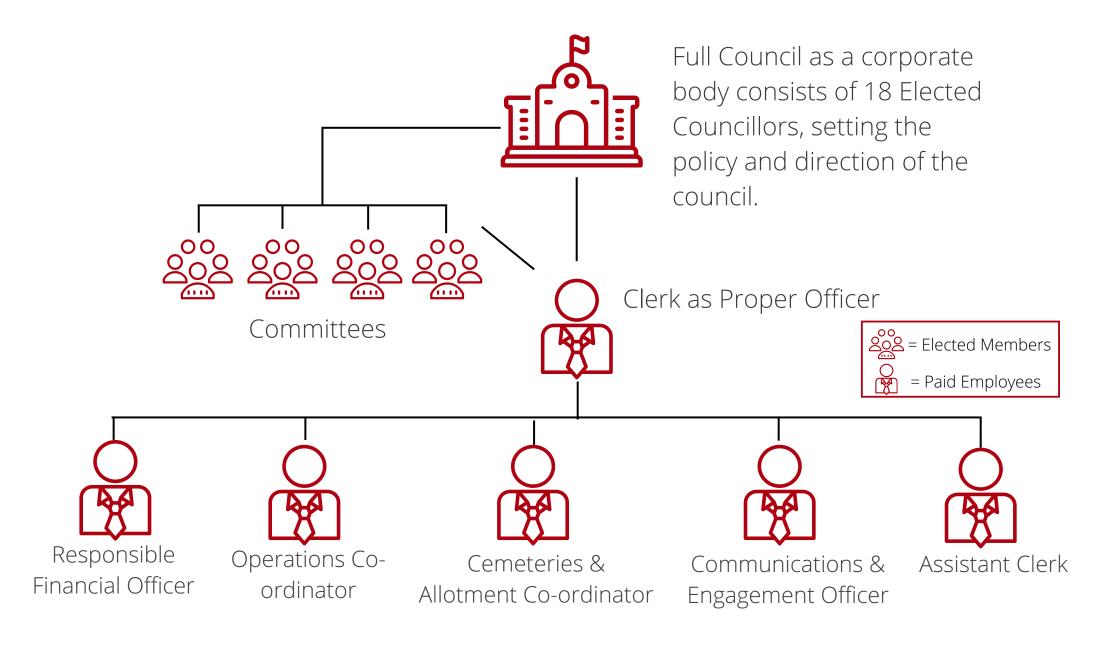

The Council works to its Standing Orders and Financial Regulations, these lay down the rules by which we operate and conduct our business. We also expect Parish Councillors to adhere to the Council's Code of Conduct. Committees and working groups work to terms of reference agreed at committees.

Where Do We Fit?

3.2 Organisational Structure

4.1 Why Produce a Strategic Plan?

PROVIDE A FRAMEWORK TO WORK WITHIN

Having an agreed strategy provides a framework for the Parish Council to work within, enabling it to operate in a more consistent and co-ordinated way, to be proactive rather than reactive in its decision-making. We have based the Plan and the key priorities therein, on our understanding of the community's needs gathered from our day-to-day involvement with residents.

CLARIFY WHAT PARISH COUNCIL DOES AND DOESN'T DO

The Strategic Plan will help the local community to have a better understanding of what the Parish Council does and also clarify what it doesn't do; in other words to explain what issues fall under the responsibility of other delivery bodies such as Surrey Heath Borough Council (SHBC) or Surrey County Council (SCC).

OUTLINE WPC'S COMMITMENT TO THE COMMUNITY

Having a strategic plan outlines Windlesham Parish Council's commitment to the community to both make a difference and provide added value, and serves to break down the different aspects of these commitments. The community can also be involved and considered in the process, focusing on their stated needs and aims

A LIVE, WORKING DOCUMENT THAT CAN BE MONITORED AND UPDATED

It will be a 'live' document, which the Parish Council will update regularly, enabling it to track, and monitor its progress against the key priorities. Because the Strategic Plan will be publicly available, residents will also be able to monitor progress.

4.2 Monitoring the Strategic Plan

Quarterly checks at full council meetings to evaluate progress made against the "Action Plan", with progress updates to be given at the Annual Parish Meeting.

The Strategic Plan itself will be subject to annual review and updated to keep the document relevant and up-to-date.

The Strategic Plan will be available on the Council website, with hard copies available to view in the Council Office.

Our Strategic Plan will continue to be the main way of telling you what we are doing to meet the needs of the community. It's a two-way conversation. Please tell us what you think about it. We welcome your comments.
