WHAT DO YOU GET FOR YOUR PARISH COUNCIL TAX?

Windlesham Parish Council's (WPC) budget and precept for 2024-25 has now been agreed.

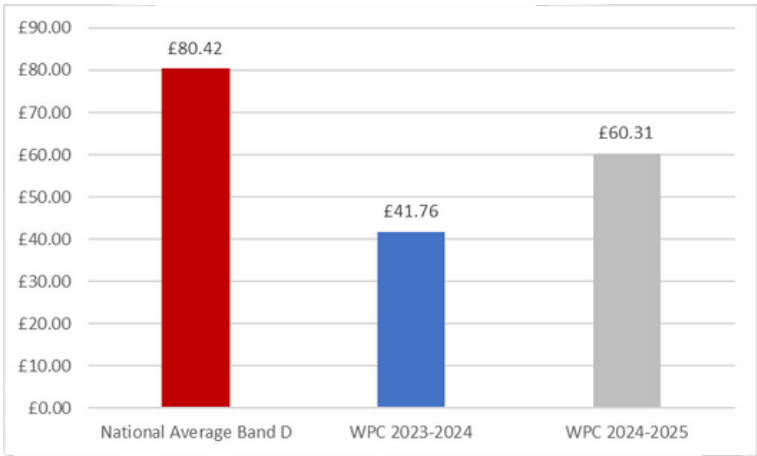

How much will each household pay?

The WPC portion of your council tax ranges from 77p to £2.32 per week depending on your property banding. Please see the information below outlining how this money is spent and how much each household contributes:

	Band A	Band B	Band C	Band D	Band E	Band F	Band G	Band H
Weekly	£0.77	£0.90	£1.03	£1.16	£1.42	£1.68	£1.93	£2.32
Per Annum	£40.21	£46.91	£53.61	£60.31	£73.71	£87.11	£100.51	£120.62

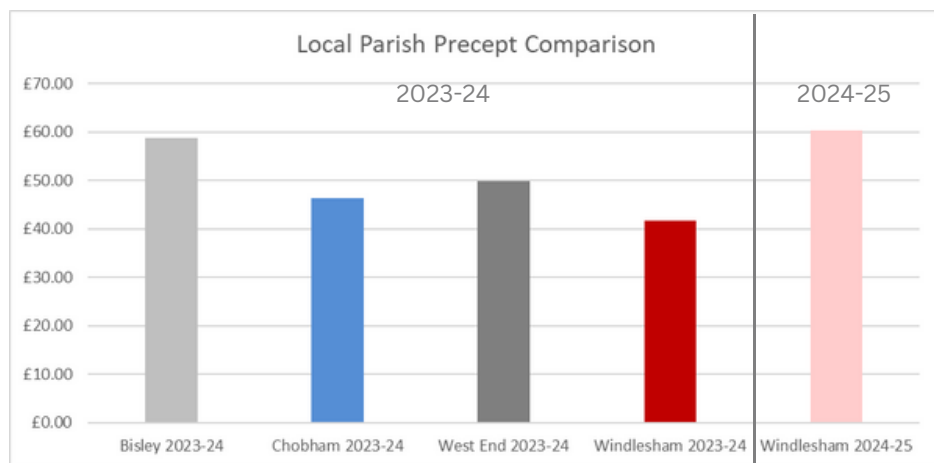

How do we compare nationally?

Why has there been a 44% increase in the Parish precept this year?

The level of precept set over the period 1 April 2016 - 31 March 24 increased by 14.5% to £41.76 compared to an increase in RPI over the same period of 40.6%. In effect, the Council has been subsidising the precept over the period as costs continued to rise. In 2024-25 this has become unsustainable and given rise to the significant increase shown.
