PLAN/20/11 To consider planning applications and planning appeals received prior to this meeting:

20/0405/FFU	<p>Land at Bagshot Retail Park 150-152 London Road Bagshot Surrey GU19 5DF</p> <p>Amalgamation of existing (Class A1) retail units (Units 2B & 2C) for use as a foodstore (Class A1) along with internal works (including a reduction in mezzanine floorspace), changes to the building elevations (including a revised shop front), site layout (including revised servicing and car parking arrangements), external plant area, trolley bay and associated works.</p> <p>The Committee strongly objected to the application. The proposed development will decrease the diversity of shop amenity in Bagshot. The original planning permission for the site was only ever designed to allow for one food retail outlet. To add a second will intensify the use of the site which would have an adverse impact on the local area, particularly in</p>	FPA

	relation to use of highways. The inevitable increase of traffic and HGV movement on and off site for two foodstores will have a severe adverse impact on the local area. The junction improvements made to allow the flow of traffic into the retail park from the A30 just about cope with the current level of traffic. To add substantially more traffic movement with no further mitigation will lead to long queues and significant difficulty for the residents of the estate that borders the retail park.	
	<i>19.16 – Due to an unstable internet connection, Chairmanship of the meeting passed from Cllr Harris to Cllr Trentham.</i>	
20/0230/CES	10 Princes Way Bagshot Surrey GU19 5QU Certificate of Lawful Proposed Development for the erection of a single storey rear extension following the demolition of existing rear conservatory. No objections.	CPD
20/0239/FFU	30 Waggoners Hollow Bagshot Surrey GU19 5RE Part first floor extension part single storey rear extension and garage conversion. The Committee objected as the loss of the garage for parking will have a knock-on effect in a road that is already over-congested and has a lack of on-road parking.	FPA
20/0476/FFU	43 Cedar Close, Bagshot, Surrey, GU19 5AB Erection of a first floor rear extension and the installation of one window to the north-east side elevation and two windows to the south-west side elevation. The Committee did not object, subject to the newly installed windows not overlooking any adjacent properties.	FPA

20/0453/FFU	17 Junction Road Lightwater Surrey GU18 5TQ Part-two storey, part-single storey rear extension and conversion of integral garage to habitable accommodation. The Committee did not object but stated that they do not support the loss of garage space as parking amenity.	FPA
20/0437/FFU	37 Ambleside Road, Lightwater, Surrey, GU18 5TA Erection of part first floor part single storey rear and side extensions. No objections.	FPA

20/0451/FFU	Fairacre 148 Macdonald Road Lightwater Surrey GU18 5YA Erection of 1.8 metre high steel railing fence adjoining a public highway following the removal of a 3.3metre high thuja coniferous hedge. The Committee had no objections, subject to it only being the hedge that is removed and that no other trees are removed to allow the installation of the fence.	FPA
20/0472/CES	24 Aplin Way, Lightwater, Surrey, GU18 5TT Lawful Development Certificate for the proposed erection of a single storey rear/side extension, following demolition of existing conservatory, part garage conversion and alterations to the rear fenestration. No objections.	CPD

	The Committee noted the application, but it is out of area.	
20/0435/FFU	Rowena, School Lane, Windlesham, Surrey, GU20 6EY Erection of a two storey side extension. No objections.	FPA
20/0487/FFU	Hatton Hill Nursery School Hatton Hill Windlesham Surrey GU20 6AB Construction of single storey infill extensions and associated works following demolition of plant room & outdoor classroom. No objections.	FPA
20/0373/FFU	39 Chertsey Road Windlesham Surrey GU20 6EW Change of use of land from residential to play area for children's nursery. The Committee did not object but raised concerns that a report filed in the application papers made reference to the area having previously been an old brickworks and the ground/soil could be contaminated. They raised a further concern that there would be a new noise nuisance for local residents when children were using the outside space and that any permission should put restrictions on the amount of time children could use the space.
