Members were asked to decide whether to approve the use of Lightwater Recreation Ground by the Lightwater Society.</p> <p><b>Members resolved with 6 in favour and 1 abstention to approve the application and request in principle, subject to the hirers submitting all the required documentation and meeting the specified criteria. Authority was delegated to the Clerk, in conjunction with the Chair, to ensure compliance with all conditions prior to the event, to include any recommendations from SAG should a meeting with them be held.</b></p> <p><b>d. To consider additional information received following the Surrey Heath Advisory Group meeting regarding the Lightwater Scouts Firework Event.</b></p> <p>Members were asked to:</p> <p>1. Note the recommendations issued by the Safety Heath Advisory Group (SAG) and acknowledge that the event organisers have been requested to update their fire safety and emergency plans within 14 days, in line with the guidance provided.</p> <p><b>All members noted the recommendations issued by the Surrey Heath Advisory group.</b></p> <p>2. Consider and approve whether the Recreation Ground should be secured until 9:00 am the morning following the event using suitable fencing, and agree the necessary arrangements to facilitate this, including responsibility for installation, monitoring and removal.</p> <p><b>Members approved with 4 in favour and 3 abstentions that the Recreation Ground should be secured using suitable fencing following the event until 9:00am the following morning. They also agreed that the Scouts should be responsible for the installation, monitoring and removal of the fencing.</b></p> <p><b>e. To consider a recommendation to Full Council to support a subscription to the Purple Guide.</b></p> <p>Members were asked to consider whether the Committee wished to recommend to Full Council that Windlesham Parish Council subscribes to the Purple Guide, a nationally recognised resource for outdoor event safety and management.</p> <p>Members were asked to consider if they wish to recommend to Full Council whether Windlesham Parish Council should proceed with an annual subscription at a cost of £25 plus VAT.</p> <p><b>Members unanimously resolved to recommend to Full Council that the Parish proceed with an annual subscription to the Purple Guide. Additionally, Members agreed that all hirers of the Recreation Ground should be required to hold a subscription to the Purple Guide, and that this requirement be formally included as a condition of hire.</b></p>	<p><b>Clerk &amp; Chair</b></p>
LVC/25/36	Review of AED Housing and Location	

	<p>Members were informed that concerns have been raised regarding the AED housing and location were asked to consider either:</p> <ul style="list-style-type: none"> <li>• Relocating the AED to another site within the village,</li> </ul> <p>or</p> <ul style="list-style-type: none"> <li>• Replacing the existing cabinet with one specifically designed for outdoor use.</li> </ul> <p><b>Members unanimously resolved to delegate authority to the Clerk to obtain quotes for a suitable outdoor AED cabinet, liaise with the relevant property owner regarding the use of their electricity supply and work with them to gather indicative costs for the associated electrical work/supply. It was agreed this information would be brought back to a future committee meeting.</b></p>	Clerk/ Assistant Clerk
LVC/25/37	<p><b>To discuss the Maintenance of Lightwater War Memorial and Gardens</b></p> <p>Members were asked to consider the maintenance of the Lightwater War Memorial and gardens in preparation for Remembrance Sunday 2025, and to consider arrangements for ongoing maintenance thereafter.</p> <ol style="list-style-type: none"> <li>1. Members were asked to decide whether they approved the presented quote for planting and maintenance around the War memorial and maintenance of the gardens ahead of Remembrance Sunday.</li> </ol> <p><b>Members unanimously resolved to proceed with the proposed quote, subject to clarification on the number of plants to be included, in order to ensure the display is suitably impactful. Members further agreed to increase the budget up to £1,500, if required, and delegated authority to the Clerk to take the necessary actions to ensure the best possible outcome.</b></p> <p><b>In addition, members requested advice on the watering requirements for the area and, if appropriate, seek a separate quote for watering services following the planting.</b></p> <p><b>Quotes for the ongoing maintenance and seasonal planting of the war memorial and gardens was also requested, to be brought back for consideration at a future committee meeting.</b></p> <ol style="list-style-type: none"> <li>2. Members were asked to decide whether they approved the appointment of L-VIS to carry out ongoing maintenance of the War Memorial and surrounding gardens.</li> </ol> <p><b>Members unanimously resolved not to approve the appointment of L-VIS for the ongoing maintenance of the war memorial. In line with the decision recorded in Point 1, the committee will seek quotations from alternative contractors for seasonal planting and more targeted maintenance services.</b></p> <ol style="list-style-type: none"> <li>3. Members were asked to decide whether they approve to include watering of the War Memorial planting in the existing hanging basket maintenance contract.</li> </ol> <p><b>Members resolved to approve the inclusion of watering for the War Memorial and surrounding gardens within the existing hanging basket</b></p>	Clerk/ Assistant Clerk  Assistant Clerk  Assistant Clerk

	<p><b>maintenance contract. Additionally, Members requested that a quote be obtained for planting at the War Memorial from the same supplier.</b></p>	
LVC/25/38	<p><b>To discuss arrangements for Remembrance Sunday</b></p> <p>At the Full Council meeting, it was agreed that:</p> <ul style="list-style-type: none"> <li>• One wreath will be laid on behalf of the Council at the Lightwater War Memorial.</li> <li>• A donation of £50 will be made to the Royal British Legion in support of the Poppy Appeal.</li> </ul> <p>Members were asked to decide:</p> <ol style="list-style-type: none"> <li>1. Who will lay the Council's wreath at the Lightwater War Memorial.</li> </ol> <p><b>Members unanimously resolved that, subject to councillor availability, the wreath at the Lightwater War Memorial will be laid by either Cllr Harris, Cllr Malcaus Cooper or Cllr Turner. The final arrangements will be coordinated among the councillors.</b></p> <ol style="list-style-type: none"> <li>2. Consider whether an additional wreath should be laid elsewhere in the village.</li> </ol> <p><b>Members resolved, with 6 in favour and 1 against, to place a commemorative wreath at the WWII memorial in the Lightwater Recreation Ground. Due to concerns about the traditional poppy wreath being displaced, members agreed to explore the option of placing a magnetic wreath directly onto the memorial plaque, subject to its availability for purchase. If a magnetic wreath is not viable, a traditional wreath may be considered as an alternative.</b></p>	
LVC/25/39	<p><b>Traffic &amp; Infrastructure</b></p> <p>Cllr Turner confirmed that the first meeting of the Traffic &amp; Infrastructure Working Party took place on 8th September. During this meeting, the Terms of Reference were agreed, and it was confirmed the minutes will be made available shortly. Cllr Turner also confirmed that a second meeting is scheduled to be facilitated at the end of October.</p> <p>Members discussed the upcoming works on the A322. It was noted that the works will affect all three villages, and there was concern that coaches and other transport services from outside the area have not been informed. Members expressed concern that current communication efforts are insufficient and risk leaving residents uninformed. Members confirmed a willingness to support Skanska's communication and offered support communication between the contractor and Lightwater village residents.</p> <p><b>Members resolved to write to Skanska to emphasise the importance of providing residents with adequate advance notice of any disruptions or changes to local infrastructure and access. Members wished to confirm the committee's willingness to support Skanska with its communication efforts.</b></p> <p><b>Members further resolved to invite Skanska to attend the next Transport &amp; Infrastructure (T&amp;I) Working Party meeting to discuss communication plans and coordination efforts.</b></p>	

	<p><b>Recognising that the works will impact all three villages, the committee further approved a recommendation to Full Council that each village committee participate in a coordinated, joint communication to Skanska. This joint approach aims to strengthen engagement, ensure consistent messaging and ensure timely and transparent updates to all affected communities.</b></p>	
LVC/25/40	<p><b>To discuss Sponsorship signs for the village planters</b></p> <p>Members have already resolved that the five planters maintained by Windlesham Parish Council within the village should be clearly marked with plaques or stickers reading:</p> <p>“Planters sponsored and maintained by Windlesham Parish Council.”</p> <p>Members were asked to decide:</p> <p>Whether they wished to proceed with the installation of plaques/stickers on the five WPC maintained planters and if so, if they approve the presented quote or requested an additional quotation. Members were also asked to determine the appropriate budget line for funding.</p> <p><b>Members unanimously resolved to proceed with the installation of 10 x stickers on the five WPC maintained planters in the village. Members resolved to approve the presented quotation and to fund from the Lightwater Village Reserve.</b></p> <p><b>Additionally, members unanimously resolved to seek quotes for planting and maintaining the 5 planters, to be brought back to a future committee meeting.</b></p>	Assistant Clerk
LVC/25/41	<p><b>Strategic Plan Review</b></p> <p>At the Full Council meeting held in September 2025, Members reviewed the draft version of the revised Strategic Plan. Following discussion, it was resolved to defer a decision on formal adoption to allow each Village Committee the opportunity to review and discuss the document at their next scheduled committee meeting.</p> <p>Members were asked to:</p> <ol style="list-style-type: none"> <li>1. Review the contents of the Strategic Plan.</li> <li>2. Provide comments or amendments</li> </ol> <p><b>Members noted the ongoing strategic plan review and agreed to defer further commentary until the outcome of the Community Governance Review (CGR) is known.</b></p>	Assistant Clerk
LVC/25/42	<p><b>To consider a motion from Cllr Stevens regarding the proposed use of Lightwater Community Infrastructure (CIL) funding</b></p> <p>Members were asked to consider a motion from Cllr Stevens regarding the request for the committee to consider the allocation of a recent CIL payment allocated to Lightwater Village.</p>	

	<p><b>Members agreed in principle to earmark the recent CIL payment allocated to Lightwater Village for a future community project. The proposal will be discussed in greater detail at an upcoming meeting.</b></p>	
LVC/25/43	<p><b>Grant Applications</b></p> <p>To consider a grant application from the Lightwater Scouts-</p> <p>The Lightwater Committee has received a grant application from the Lightwater Scouts, requesting £263.28 for the hire of Heras fencing to enclose the bonfire area at their Bonfire &amp; Firework Event.</p> <p><b>Members unanimously approved to grant the Lightwater Scouts £263.28 to be used for the above purpose.</b></p> <p>Members also noted the Scouts intention to hire the fencing and highlighted that if they chose to purchase second-hand fencing (which may be similarly priced), they would be welcome to store it free of charge in the large, corrugated shed located next to the Pavilion building.</p>	
LVC/25/44	<p><b>Clerks Update</b></p> <p>The Assistant Clerk gave the following updates:</p> <p><u>Lightwater Cemetery Fencing</u></p> <p>The Land Registry documentation for the cemetery remains outstanding. The Council's solicitor has indicated that processing the cemetery registration may take several months. As a result, installation of the new fencing cannot proceed until the registration is formally completed.</p> <p><u>Woodland Burials</u></p> <p>A specification has been issued to three contractors specialising in woodland burials to include:</p> <p>“Windlesham Parish Council is exploring the development of a woodland burial area as an extension to the existing cemetery in Lightwater. The initiative aims to offer a sustainable, environmentally sensitive, and community-focused burial option that complements and enhances the natural landscape.</p> <p>The scope of the project includes:</p> <ul style="list-style-type: none"> <li>• Assessing the feasibility of establishing a woodland burial area on the proposed site.</li> <li>• Preparing a concept design and layout that integrates with the existing cemetery and surrounding environment.</li> <li>• Ensuring compliance with relevant legislation, planning policies, and environmental standards.</li> <li>• Providing guidance on long-term management, operational planning, and biodiversity enhancement.”</li> </ul> <p>To date, no responses have been received from the invited contractors.</p>	

	<p>Cllr Malcaus Cooper recommended contacting the South Downs Natural Woodland burial ground</p> <p><u>Hardstanding at bonfire site</u></p> <p>Following Member requests, the office is currently looking into suitable solutions for installation of hardstanding at the site used for the Scouts' annual bonfire. However, feedback from other local authorities suggests that reseeding the area with grass each year has proven to be a cost effective and successful alternative. Members may wish to consider this approach as a potential solution moving forward.</p> <p>Cllr Harris confirmed he would look into suitable hard standing solution.</p> <p><u>Metal fencing at the Square</u></p> <p>Cllr Hartshorn has raised concerns regarding the condition of the metal fencing at The Square. While the fencing does not fall under the Parish Council's remit, any relevant updates or observations from Members will be noted and recorded in the minutes.</p> <p>Cllr Turner reported that he recently held a meeting with representatives from the Co-op to discuss improvements to the village square. He confirmed a contact has been identified from facilities management. It was confirmed that a pavement repair has been commissioned. However, concerns have been raised regarding the impact of tree roots in the area and how they will be managed. As an interim measure, L-VIS has requested permission to install planters to enhance the space temporarily.</p> <p>Cllr Jenning-Evans noted that the tree in question falls under Surrey County Council responsibility, and it is suggested that Surrey County Council or Highways may be able to assist with organising the planters.</p> <p>Members agreed to write to raise concerns regarding the current condition of the square, in particular the fencing near the large tree.</p> <p>Cllr Malcaus Cooper requested that the proposal to install Union Jack flags on lamp posts in the village centre be included on the agenda for the January 2026 committee meeting.</p>	Assistant Clerk
LVC/25/45	<p><b>Correspondence</b></p> <p>No correspondence.</p>	
LVC/25/46	<p><b>Exclusion to the press and public – To exclude members of the public, including the press, for consideration of items excluded under s1(2) of the Public Bodies (Admission to Meeting) Act 1960:</b></p> <p>LVC/25/47 To approve confidential reports from 1st April and 1<sup>st</sup> July</p> <p>LVC/25/48 Cemetery Hedge</p> <p>LVC/25/49 Hook Mill Lane</p>	
LVC/25/47	<p><b>To approve the confidential reports from 1st April and 1st July 2025</b></p> <p><b>It was unanimously resolved to approve the confidential reports from the 1<sup>st</sup> April and 1<sup>st</sup> July 2025 meetings as a correct record.</b></p>	

LVC/25/48	<b>Cemetery Hedge</b>  <b>Members resolved to carry out the actions as detailed in the confidential report.</b>

## Item 7- Lightwater Village Committee Finances

### Purpose of Report

To update Members of the Lightwater Village Committee on income and expenditure against budget for the financial year 2025/26 to 3 February 2026 (Month 10).

### Income Performance

Income Source	YTD Actual (£)	Annual Budget (£)	% of Budget Received
Burial Fees	10,765	14,122	76.2%
Precept	106,024	106,024	100%
CIL Income	18,626	0	Unbudgeted
Total Income	135,415	120,146	112.7%

### Key Expenditure Lines

Expenditure Category	YTD Spend (£)	Annual Budget	(%)Spent	Comments
Cemetery - Indirect	2,315	13,863	16.7%	
Heritage - War Memorial	1,391	4,541	30.6%	Planned maintenance due
Grounds Maintenance	30,007	47,478	63.2%	Largest operational cost
Councillor Costs	10,570	14,439	73.2%	On track
Council Buildings	5,978	7,414	80.6%	Utilities and rates
Grants	3,198	5,000	64%	Within budget
Capital Projects	4,492	11,430	39.3%	
Pavilion & Recreation	1,088	10,420	10.4%	

### Earmarked Reserves & Commitments

Movement	Amount (£)
Transfer from EMR	1,457
Transfer to EMR	28,626
Movement to/from General Reserves	-48,929

### Conclusion

The financial position for Month 10 remains stable. Income has exceeded budget forecasts primarily due to unbudgeted CIL funds (transferred to EMR) and most expenditure lines remain within expected parameters.

Variances are primarily explained by EMR movements and timing differences.

## **Trends in Burials**

### **Overall activity**

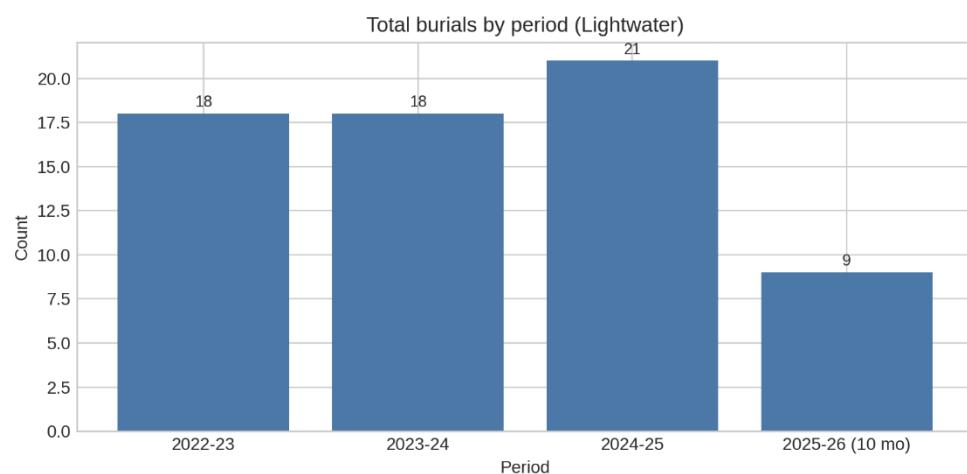

- Total interments were **18** in 2022–23, **18** in 2023–24, rising to **21** in 2024–25.
- For Apr 2025–Jan 2026 (10 months), there were **9** interments so far (partial year, so not directly comparable to full years).

### **Residents vs non-residents**

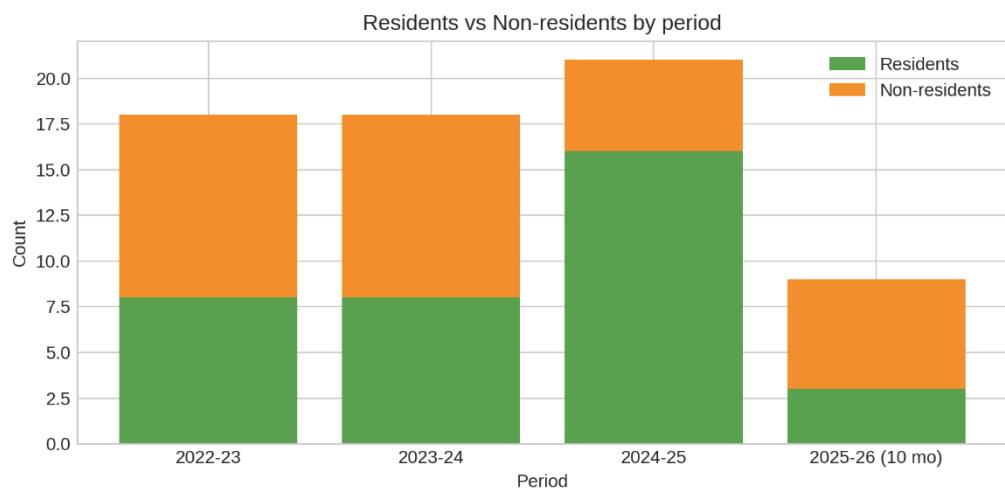

- Resident share was **44%** in both 2022–23 and 2023–24, rose to **76%** in 2024–25, and is **33%** for the partial 2025–26 year to date.
- 2024–25 stands out as a year with notably more resident interments relative to prior years.

**Interpretation:** The three full years show a stable baseline of ~18–21 interments, with 2024–25 being the peak driven by more full burials and a higher resident share. The current year to January is incomplete, but the mix so far is balanced between ashes and full burials, with more non-resident activity to date.

- Materials and labour cover left, back and right boundaries

Cost:

- **£18,501.00 + VAT**

Insurance:

- **£1 million**, with agreement to increase if awarded the contract

---

### **Previous Committee Decisions**

#### **January 2025 Meeting – Minute Ref: LVC/24/47**

- Members unanimously resolved to proceed with Quote 2, on the condition that it included a minimum of three support wires.
- If Quote 2 could not meet this requirement, members agreed to proceed with Quote 1(b).
- The committee agreed the following next steps, subject to the Land Registry being received:
  - A. Request the surveyor who undertook the topographical survey to superimpose the title deed boundary onto the existing topographical survey.
  - B. Request the surveyor to mark out the boundary on site.
  - C. Proceed with fencing installation once the boundary is marked.
  - D. Expedite the cemetery registration process independently of the fencing project.
- Delegated authority was given to the Clerk, in consultation with the Chair and Vice-Chair, to approve the surveyor's quotation (budget up to £1,000 from the Cemetery EMR).

---

#### **April 2025 LVC Meeting – Minute Ref: LVC/24/63**

Members resolved to:

- Wait for the Land Registry documentation before taking next steps.
- Delegate authority to the Clerk, Chair and Vice-Chair to proceed with one of the fencing quotes if the necessary steps were completed between meetings.

---

## **October 2025 Update – Lightwater Cemetery Fencing**

The Clerk reported that the Land Registry documentation was still outstanding and as a result, the fencing works could not progress.

---

### **Current Situation**

- The Land Registry title is still pending, and there is no indication of processing times.
- As per the April 2025 decision, works have been paused until the documentation is received and the next agreed steps completed.
- The Assistant Clerk is currently contacting Contractors 1(b) and 2 to request updated quotations, as prices may have changed since the original submissions.

---

### **Decision Required**

**Members are requested to consider:**

**A. Whether to reaffirm the April 2025 resolution**

**i.e. continue waiting for the Land Registry documentation before any further action is taken.**

**or**

**B. Whether to revise the approach due to ongoing delays, and either:**

- **Instruct the surveyor now to undertake boundary superimposition and on-site marking, followed by fencing installation.**

**or**
- **Begin fence work immediately.**

**C. Updated quotations from Contractors 1(b) and 2 will be sought, and members are asked to consider whether they wish to grant delegated authority to the Clerk to approve the preferred quote. Members are also invited to review whether the budget for the works should be reconsidered in anticipation of potential cost increases.**

## **Item 9- Replacement of AED (defibrillator) Cabinet**

### **Background**

At the last Committee meeting, members agreed to investigate the feasibility of installing a heated AED (defibrillator) cabinet on the exterior wall of the Debra Charity Store in Lightwater. The purpose of the heated cabinet is to ensure the AED functions safely in cold weather conditions.

The Assistant Clerk has since contacted the landlord of the building, who has given permission in principle for the cabinet to be installed. This permission is subject to an electrician assessing:

- A suitable and safe point from which the electricity supply can be sourced.
- The route for running the cable to the cabinet.
- Confirmation that the installation does not interfere with the building fabric.

The landlord has also asked for clarification regarding the anticipated annual electricity usage and cost. Heated AED cabinets typically use a small amount of electricity (usually low-wattage thermostatically controlled systems). The Assistant Clerk is currently seeking professional advice and quotations from qualified electricians to confirm the precise cost and electrical requirements.

---

### **Cabinet Quotations**

Quotations for the heated AED cabinet have been obtained.

The DefibSafe 2 Cabinet is the only UK-made AED cabinet with full IP66 certification, meaning it's completely weatherproof and resistant to water, dust and debris. It's engineered for harsh outdoor conditions while maintaining its internal temperature through a low energy heating system and integrated air circulation to prevent condensation.

The cabinet is manufactured from tough, corrosion resistant polyethylene with a reinforced door made from the same material used in riot shields. This provides high strength and the best protection from vandalism or accidental damage.

**Key features:**

- IP66-rated for complete weatherproof protection
- Built-in heater and air circulation system
- Highly visible LED internal lighting for night time identification
- Stainless steel mechanical keypad lock that's corrosion resistant with a lifetime warranty
- Large handle for quick, one-handed access
- 3-point wall fixing system for easy, secure installation
- Unique location code for 99 operator guidance in emergencies
- Low running costs

**Cabinet dimensions:** 62.5cm (H) x 44cm (W) x 28.5cm (D)

Internal hinges that do not allow for external tampering

Double skin clamshell design provides additional insulation in cold weathers

Comes complete with comprehensive installation instructions and a fixing kit

Cabinet dimensions 465x435x240mm

## Funding

Lightwater Village Reserve- £14,956.23

## Next Steps Required

To progress the installation, the following actions are needed:

- Obtain quotations from electricians for supply and installation of the cabinet.
- Provide the landlord with the estimated annual running cost (once confirmed by the electrician).
- Draw up a written agreement between the Council and the landlord covering:
  - Permission for the cabinet to be affixed to the wall
  - Potential access rights for maintenance
  - Electricity usage and annual reimbursement arrangement
  - Responsibilities and liabilities (e.g. insurance, vandalism, servicing)

## **Decision Required**

**Members are asked to decide whether they wish to:**

- 1. Proceed with the purchase of the heated AED cabinet, based on the quotations received.**
- 2. Delegate authority to the Clerk, in conjunction with the Chair and Vice-Chair, to:**
  - Appoint a suitably qualified electrician to carry out the works, subject to the landlord's approval of the electrical assessment and installation method; and**
  - Finalise a written agreement with the landlord regarding electricity supply and repayment arrangements.**
- 3. Members are asked to decide how to fund the purchase of the heated cabinet, electrical works and electrical supply re payments. \***

\* It should be noted that an estimate for the electrical works is expected to be available in time for the meeting.

## **Item 10- Lightwater War Memorial, Memorial Gardens and Planters**

### **Purpose of Report**

To consider the ongoing maintenance of the Lightwater War Memorial, Memorial Gardens and Planters.

---

### **Background & Past Resolutions**

At the October 2025 meeting, members made the following resolutions:

- Seek quotes for the ongoing maintenance, seasonal planting and watering of the war memorial and gardens was also requested, to be brought back for consideration at a future committee meeting.
- Request if the inclusion of watering at the War Memorial and surrounding gardens can be added to the 2026 hanging basket contract.

---

### **Quotes**

Suppliers were asked to provide quotations for the supply, planting and maintenance at the Lightwater War Memorial and memorial gardens, including arrangements for watering and longer-term seasonal upkeep.

### **Specification Requested**

- **Troughs (Lightwater Village Centre):**  
Summer planting and ongoing maintenance, including watering between April–September, for **5 large troughs**.
- **War Memorial & Memorial Gardens:**  
Seasonal planting **three times per year**, plus ongoing maintenance. Grass cutting is undertaken separately by the parish-wide greenspace team. Quotations were requested for:
  - Seasonal planting of the flower beds (3 x per year)
  - Ongoing maintenance and watering (April–September, with frequency varying seasonally)

As part of this process, quotations were sought from multiple suppliers.

Five suppliers were approached:

- One supplier submitted a full quotation
- Two suppliers expressed interest but have not yet provided quotations
- Two suppliers declined to quote at this time

---

## Quotation Received

### Contractor 1:

#### Quotation 1: War Memorial and Memorial Gardens

- **Planting tasks:**

Planting of War Memorial and memorial gardens, three times per year (including plants)

- Quantity: 3
- Rate: £485.00
- **Total:** £1,455.00

- **Maintenance and watering:**

Maintenance and watering of War Memorial and memorial gardens  
(per visit, minimum of one visit per week, increasing to two or three visits during periods of extreme heat).

- Rate: £140.00 per visit

---

#### Quotation 2: Trough Planting

- **Summer planting:**

Five troughs, including plants

- Quantity: 5
- Rate: £90.00
- **Total:** £450.00

- **Maintenance and watering:**

Maintenance and watering of troughs  
(per visit, minimum of one visit per week, increasing during periods of extreme heat)

- Rate: £100.00 per visit

---

## Next Steps & Considerations

- Additional quotations are still being sought from other suppliers.
- The cost of planting and watering the five village troughs, as well as watering only at the War Memorial and memorial gardens, has been incorporated into this year's hanging basket maintenance specification.
- A local garden centre has offered to provide spring planting for the war memorial and memorial gardens. Quantities and plant varieties are not yet confirmed; however, the same garden centre donated 300 plants in the autumn as a guide.

---

## **Decision Required**

**Councillors are asked to consider the following and agree on the preferred course of action:**

- 1. Note that additional quotations for the planting and maintenance of the Lightwater War Memorial, Memorial Gardens and village troughs are still being sought from suppliers.**
- 2. Acknowledge that the cost of planting and watering the five village troughs, as well as watering only at the War Memorial and memorial gardens, has been incorporated into the 2026 hanging basket maintenance specification.**
- 3. Note the offer from a local garden centre to provide spring planting for the war memorial and memorial gardens, with plant quantities and varieties to be confirmed.**
- 4. Decide whether to:**
  - Defer a final decision until all outstanding quotations are received.**
  - Proceed with planting of the war memorial and gardens, utilising the garden centre's spring plant donation while awaiting further quotes for watering and the troughs.**

**Item 11- Traffic and Infrastructure- Update**

At the last Committee meeting, Cllr Turner confirmed that the first meeting of the Traffic & Infrastructure Working Party took place on 8th September. During this meeting, the Terms of Reference were agreed.

Cllr Turner will provide a verbal update at the Committee meeting.

## **Item 12- To discuss Sponsorship Signs for the village planters**

### **Background**

At the last meeting, members unanimously resolved that the five planters maintained by Windlesham Parish Council within Lightwater should be clearly marked with plaques or stickers displaying the wording:

**“Planters sponsored and maintained by Windlesham Parish Council.”**

Members further resolved:

- To proceed with the installation of 10 stickers across the five planters.
- To approve the quotation presented.
- To fund the cost from the Lightwater Village Reserve.

---

### **Additional Member Proposal**

Since approval of the quotation Cllr Stevens has proposed an enhancement to the presentation of the stickers. As the stickers will feature a prominent Windlesham Parish Council banner, it has been suggested that the existing phrase **“Sponsored and maintained by”** could be replaced with a more uplifting or engaging line on each planter.

Five suggested inspirational quotes are proposed for consideration:

1. **“Wake up and smell the flowers.” – Anonymous**
2. **“In joy or sadness, flowers are our constant friends.” – Okakura Kakuzō, *The Book of Tea***
3. **“You can learn a lot of things from the flowers.” – Alice in Wonderland**
4. **“Keep calm and plant flowers.” – Anonymous**
5. **“Where flowers bloom, so does hope.” – Lady Bird Johnson**

If adopted, each planter would display the Parish Council banner along with one of the above quotes.

---

### **Decision Required**

Members are asked to consider and decide:

1. **Whether to retain the previously approved wording** (“Planters sponsored and maintained by Windlesham Parish Council”), **or**
2. **Whether to adopt the proposed inspirational quotes**, replacing the sponsorship line, **or**

3. **Whether to include both**, for example:

- Inspirational quote
- Followed by: "Sponsored and maintained by Windlesham Parish Council."

## **Item 13- Flags for Lightwater Village**

### **Purpose of Report**

To seek approval from members for the purchase and installation of new flags for Lightwater Village for summer 2026, using the budget allocated for next year, and to determine the preferred style of flags for this year's display.

---

### **Background**

Last summer, Lightwater Village displayed a series of Union Jack flags along the village high street. Feedback from residents was extremely positive, and the flags were widely regarded as a cheerful addition.

Members agreed during the budgeting process to allocate £5,000 in the 2026/27 budget for the purchase and installation of replacement flags.

---

### **Flag style**

Last year the council displayed Union Jack flags in Lightwater, as shown below. Members are asked to consider whether they would like to explore alternative styles of flags for this year, and a selection of mock-ups has been prepared for review.

---

#### Expected cost

Due to prolonged exposure to sunlight and weather, last year's flags have become significantly faded and are no longer suitable for reuse.

Based on the 2023 cost of purchasing and installing the Union Jack-style flags, and applying a CPI-based inflation uplift, the estimated cost for 2026 for 11 Union Jack-style flags is £3,502. This represents the projected cost of purchasing and installing the same style and number of flags in 2026, assuming a standard CPI inflation increase.

At present, we do not have cost estimates for the Lightwater Village-style flags. These would need to be investigated further should members wish to consider this option.

---

## **Budget Allocation**

A budget of £5,000 has been approved for 2026/27 to fund:

- Purchase of new flags
- Installation
- Removal at the end of the display period

---

## **Decision Required**

**Members are asked to consider and agree the following:**

1. **To approve the purchase and installation of new flags for Lightwater Village for summer 2026, to be funded from the £5,000 allocated in the 2026/27 budget.**
2. **To determine the preferred flag style for 2026, choosing either:**
  - Union Jack flags (as displayed last year), or
  - An alternative design
3. **To determine the dates for installation and removal of the flags, noting that VE Day in 2026 falls on Friday 8th May and VJ Day on 15th August.**
4. **To delegate authority to the Clerk to obtain formal quotations for the chosen flag style, and to approve the final supplier under delegated authority provided that all quotations fall within the agreed budget.**

## **Item 14- Hook Mill Lane Depot Fencing**

### **Background**

73m of chain-link fence and concrete posts require replacement along the Hook Mill Lane Depot's southeastern boundary with a neighbouring residential property. Damage of the existing fence is due to wear and tear and historical damage from boundary trees. Adequate fencing is a consideration for insurance as the site is not secure.

Companies were asked to quote to cut back substantial shrub vegetation along the fencing to facilitate access, remove the existing fencing and posts and install like for like replacement fence and posts. They were asked to remove old fencing and posts and shrub vegetation which has grown along and through part of the length from site and dispose of correctly.

---

### **Matters for consideration**

- Review of 3 quotes for removal of existing fencing and necessary shrubbery and installation of new fencing.

---

### **Quotes Received**

The following 3 quotes have been received:

#### **Contractor A**

**£5,401 +VAT** - green plastic coated chain link fence

Public liability £5,000,000

#### **Contractor B**

**£5,800 +VAT** - high galvanized chain link fence

Public Liability £10,000,000

#### **Contractor C**

Galvanised wire mesh, quote does not include removal from site and disposal of green waste.

£2,380 +VAT – fencing work

£1,095 +VAT - scrub clearance (reduce in height) along fence to enable access

**Total: £3,475 +VAT**

Public Liability £1,000,000

Contractor	Removal of shrubbery to allow access	Removal of existing fence, posts and concrete	Installation of new chain link fencing and posts	Removal from site and disposal of old fencing components	Removal from site and disposal of shrubbery	Quoted cost EX VAT	Level of Public liability insurance
A	✓	✓	✓ green plastic coated chain link fence	✓	✓	£5,401	£5,000,000
B	✓	✓	✓ high galvanized chain link fence	✓	✓	£5,800	£10,000,000
C	✓	✓	✓ galvanised wire mesh	✓	X quote does not include removal from site and disposal of green waste	£3,475	£1,000,000

**Funding:**

Lightwater Village Reserve- £14,956.23

**Decision:**

**Members are asked to consider and agree the following:**

1. To determine which quotation to proceed with for the delivery of the required works.
2. If Contractor C is selected, to delegate authority to the Clerk to obtain quotations for the removal and disposal of the green waste generated during the works, and to instruct a contractor accordingly.
3. To agree how the works will be funded.

### **Item 15- Grant Applications**

**Members have received 5 Grant Applications to consider from:**

Lightwater Voluntary Improvement Scheme - £500

Lightwater Voluntary Improvement Scheme - £500

Lightwater Scout (Scout Jamboree) - £500

Lightwater Connected - £500

Lightwater Society - £5,000

Total grant funding requested = £7,000

**The current available grant budget is £6,094.19**

### **Item 16- Clerks Update**

#### **Markers for Reserved Grave Plots**

Following the October 2025 Committee meeting, the markers for the reserved plots in the cemetery were ordered.

The stonemasons have confirmed that they will be available for delivery by the end of February.

#### **Lightwater Square Tree**

As members are aware, the roots of the tree on the corner of the Village Square have caused the paving to lift, creating a hazard for pedestrians. As a result, the area has been fenced off for a considerable period of time.

WPC has carried out preliminary investigations, and initial findings indicate that responsibility for the tree is shared between the leaseholders who use the access route. Lightwater Connected has also been working with the Co-op to help resolve the matter with Surrey County Council.
